DO YOU WANT TO PLANT TREES?

RVCA provides a full service reforestation program for only \$0.15/tree on most projects over 2.5 acres

The Rideau Valley Conservation Authority offers a full service reforestation program in your area. With over 30 years experience, our goal is to help landowners meet their reforestation needs and increase forest cover in our watershed.

What We Offer...

- Full service program
- Significant subsidies for most reforestation projects
- Customized tree planting plans that suit your needs
- Free on-site technical advice from qualified forestry staff
- Ordering and handling of trees
- Site preparation
- Everything involved in successfully completing the project from start to finish

Landowner — Has a minimum of 0.4 Ha (one acre) of suitable land
Qualifications — Orders a minimum of 500 seedlings
— Agrees to reasonably protect the trees from damage
