## Waste Diversion

Recycling and composting reduces the waste that is collected and transported at our Transfer Stations. The more we recycle and compost the higher the waste diversion rate. If we can divert more waste from the transfer station, the township will receive additional funding from Stewardship Ontario to assist in the operation and promotion of recycling at the Transfer Stations.

Thank you for continuing to help keep our Township Clean and Green.

## REDUCE, REUSE, RECYCLE

**Recycle Bins**      \$ 8.00/each

**Composters**      \$ 50.00/each

Both available at the Township Office during regular business hours.

(Monday-Friday 8:30am-4:30pm)

## PITCH IN

A road side clean up program is held every spring. Start as early as you wish and end by 12pm. Lunch is provided to all volunteers at 12pm. Bag pick up starts at 1pm. For more information or to register and participate call the Township office.
